Pending labour disputes

†1000. SHRI MOTILAL VORA: Will the Minister of LABOUR be pleased to state:

(a) the number of labour disputes pending or under consideration in labour courts in the country, particularly in Chhattisgarh and Madhya Pradesh;

(b) whether it is a fact that the main reasons for a large number of pending labour disputes is due to inadequate number of Industrial Tribunals and Labour courts in the country;

(c) if so, the action taken so far, by Government to increase the number of Industrial Tribunals and Labour Courts;

(d) if not, the reasons therefor; and

(e) whether Government would give instructions to the labour courts to settle cases within a stipulated time?

THE MINISTER OF STATE IN THE MINISTRY OF LABOUR (SHRI ASHOK PRADHAN): (a) There is no Central Government Industrial Tribunal-cum-Labour Court in Chhattisgarh. The details of pending cases and applications in the 17 Central Government Industrial Tribunal-cum-Labour Courts is given in the Statement (*See* below).

(b) to (d) The pendency of industrial disputes depends on many factors other than number of Courts. However, the Government is taking appropriate steps from time to time to reduce pendency in the Central Government Industrial Tribunal-cum-Labour Courts. Proposal to set up five more Central Government Industrial Tribunal-cum-Labour Courts has also been approved.

(e) Central Government Industrial Tribunal-cum-Labour Courts are quasi-judicial bodies and, therefore, decide their mode of functioning. However, Industrial Disputes Act, 1947 provides that the cases relating to individual workman should be disposed of within a period not exceeding 3 months.
